

About Salix

We're Salix and we're on a mission to help save the planet.

We enable and inspire organisations in the public and private sectors to achieve their ambitious net zero targets and create better places to live and work.

We're passionate about our work and proud to be on the journey with them.

We deliver government funding schemes to support councils, schools, housing associations, hospitals and universities boost their energy efficiency, reduce their impact on the environment, save money and remove households from fuel poverty.

We work with the UK government and the devolved administrations in Scotland and Wales. As well as managing the funding schemes, we provide professional advice, expertise and support to grant recipients throughout all stages of their projects.

We also offer insight, intelligence and influence by sharing knowledge and lessons learnt from project delivery to help improve future schemes and policy development.

We were created in 2004 and have been growing ever since. We now employ 200 people. Our principal office is in Manchester and we have a base at Canary Wharf in London.

We are wholly owned by the Department for Energy Security and Net Zero.

Why work for us?

If you share our passion for addressing the urgent challenge of climate change and contributing to the UK's ambitious decarbonisation goals, we want to connect with you.

We offer fulfilling careers where every day brings exciting challenges and rewards.

You'll have the chance to leverage your skills and expertise to shape impactful projects, both large and small, making a meaningful difference across the UK.

Recognising that our employees are the reason for our success, we prioritise their wellbeing and professional development.

As proud holders of Investors in People and Carbon Literacy Project accreditations, we are committed to creating an environment where you can thrive.

As you'd expect, we offer a variety of benefits, activities and training opportunities to ensure you excel in your role and enjoy your time with us.
