

Scotland's Public Sector Heat Decarbonisation Fund

Within the application form there are sections that require sign-off for approval. Please provide this form alongside your application with the relevant sections completed.

Counter Fraud Declaration

Step 4: Business Case, Part 5. Project Risks and Mitigating Fraud.

- The Declaration of Interest Process has been followed and any conflicts of interest have been declared and there has been no abuse of position in the selection of suppliers in connection with the application/projects being applied for.
- The organisation has checks in place to ensure false representation and failure to disclose information is mitigated against.
- The organisation will inform Salix of anything that will affect the application, including prompt updates of any changes.
- The organisation will inform Salix of any previous funding received through the Scotland Public Sector Energy Efficiency Loan Scheme (SEELS) or Scotland Recycling Fund (RF).
- The organisation confirms there is no double funding for this project, i.e., that two sources of government funding are not being used to subsidise the same capital spend.
- The information given in this application, including representations made, energy saving information provided and supporting information in our Application Form, is correct, true and complete. I understand that if I knowingly provide false information this may result in further action, and I may be liable for prosecution and civil recovery proceedings. I consent to the disclosure of information from this form for the purposes of verification of this application and the investigation, prevention, detection and prosecution of fraud.
